

Aerial Views Of FAI-80 Progress

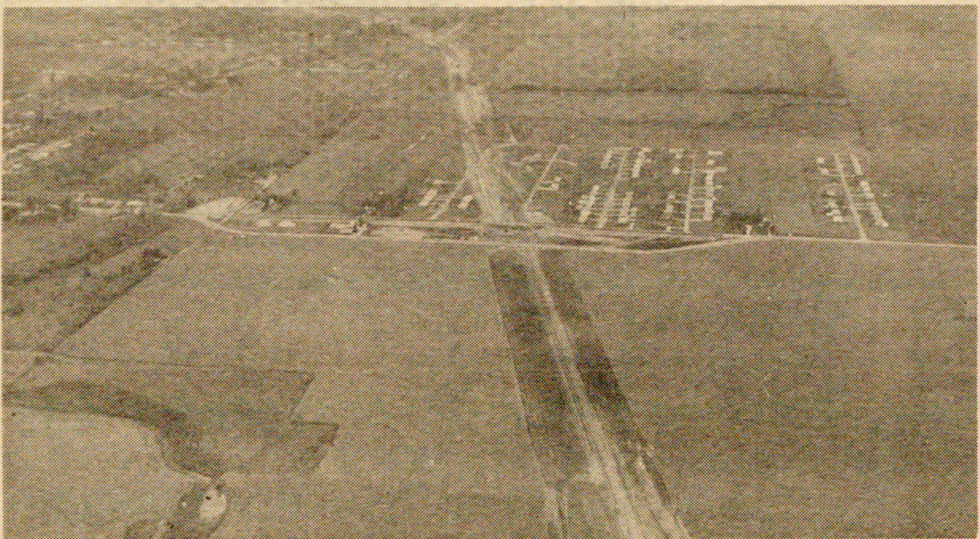

THE PROGRESS of Interstate I-80 is shown in aerial photographs taken last week by Graphic Newspapers photographer Pat Callahan with the cooperation of two pilots, Evans Drotts, a trustee on the New Lenox village board and a local insurance agent; and Jerry

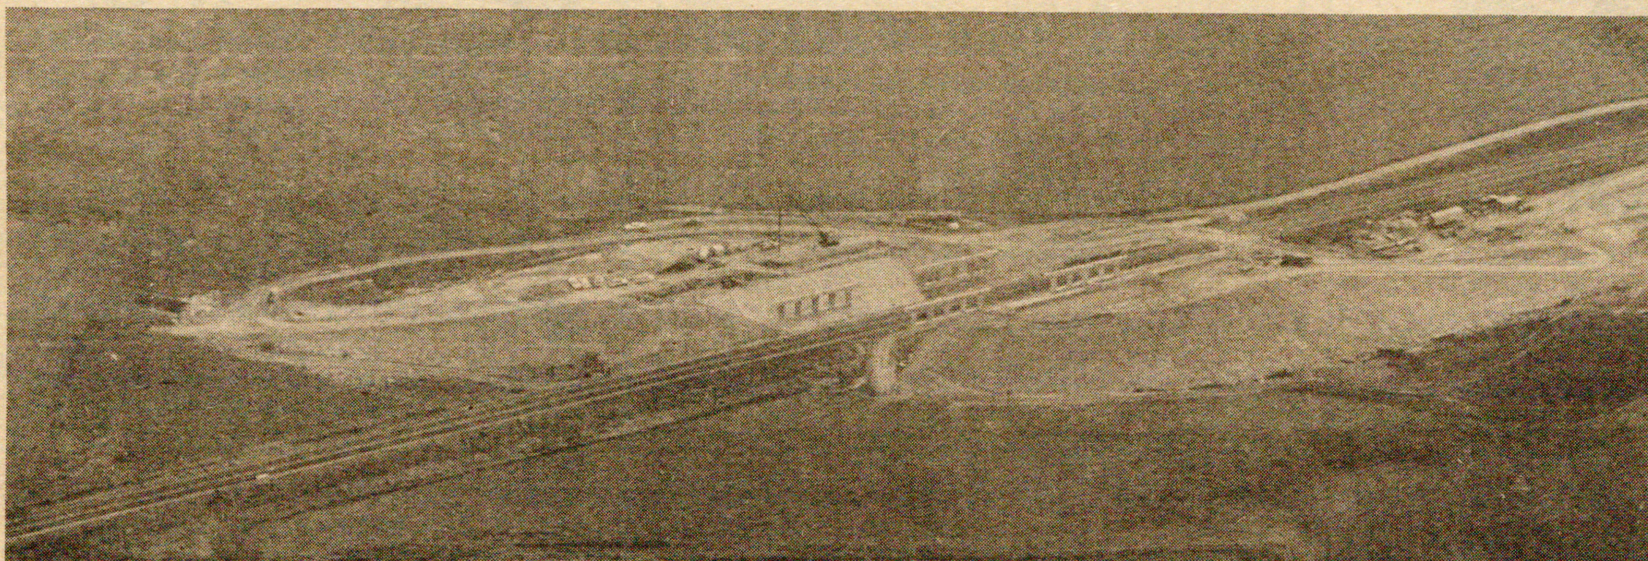

Schreffler, owner of Jerry's Service Station, New Lenox, and owner of the plane in which the flight was made. This photo shows where I-80 meets the Tollway east of Cicero ave.

JERRY SHREFFLER, (right), prop. of Jerry's service station, Rt. 30 & Cedar Rd., New Lenox, and owner of the plane in the background, discusses flight plans for I-80 to be photographed, with Evan Drotts, (center), New Lenox village trustee and Pat Callahan, Graphic Photographer.

THIS SHOWS where I-80 overpass crosses Marley rd., north of Mokena.

WHERE I-80 crosses the Rock Island tracks west of Tinley Park. The State Division of Highways recently awarded contracts for 1.37 miles of paving, a grade separation structure to carry Harlem ave. over I-80 ramps and 0.94 miles of paving on Harlem, all south of Tinley Park.

\$3,500 Left For Community

A \$3,500 fund, established as trust for charitable and philanthropic purposes was left for the use of the Frankfort community by the late Bertha A. Thelaner, with Attorney George E. Sangmeister as trustee.

Under the terms of the trust Attorney Sangmeister is given authority to apply the money for such purposes as he deems fit for the benefit of the community.

It has been suggested that some of it be used in the development of the Community Park or the library as memorials to Miss Thelaner. To date there has been no distribution.

Miss Thelaner was born in Saxony, Germany, Jan. 24, 1884, and came to the United States as a girl. She was employed by the Peoples Gas Co. of Chicago, all her working life.

About 20 years ago she

came to Frankfort and five years later retired. Her residence was on 94th Av., but shortly before her death she sold the property. She died Oct. 15, 1965 and her estate was valued at \$21,531 in stocks and bonds and cash.

According to her will the major bequests were made to five grandnieces and nephews. She also left \$500 to

Trinity School for Retarded Children and a like amount to the Pacific Garden Mission at Chicago.

The residuary estate was left in trust for the Frankfort community and this amount came to \$3,500. The fund is drawing interest, Sandmeister explained, and will continue to do so until it is finally distributed.

Jr. Girl Scouts Enjoy Nature Hike

MRS. EMIL WILLE
Telephone: 469-5277
The Jr. Girl Scout troop #378 went on a Nature hike to a nearby wooded area on Thursday, Sept. 22. They played some nature games that gave them some points toward their badges. They are planning another hike for sometime in Oct. The leaders are attending the eight week leadership training sessions. Six of the sessions are being held at Willow Ave. Presbyterian church in Joliet. Two of them will be outdoor meetings and will be held at the Boy Scout camp in Highland Park. The girl scouts had a "Donkey" ring toss booth at the cub scout funarama last Saturday.

Mrs. Charles Scheeler was very pleasantly surprised Sunday afternoon when some of her neighbors came in to help her celebrate her birthday. Guests were Mr. and Mrs. Jerry Kovar and sons, Mrs. Glenn Coburn, Mr. and Mrs. Wm. Lovelock and children and Mr. Don Schofield and daughters. Birthday cake and home made ice cream were served. Mrs. Scheeler received many lovely gifts.

Guests in the home of Mr. and Mrs. Emereth Boyden on Friday were Mrs. Ray (Elizabeth) Tross of Riverside, Illinois and Mr. and Mrs. Don Sauter and son of Lamerdo, California. Elizabeth and Kate (Mrs. Sauter) will be remembered as the Goering sisters, formerly of Lincoln Estates.

The pupils of the Ann Rutledge school enjoyed the second hot lunch of the season. The menu consisted of Ann Rutledge Goulash, bread, butter, jello and milk. The food was donated and served by Mrs. Garland Blevins, Mrs. Ralph Bidne, Mrs. Lawrence Griffin, Mrs. Lee Gericke, Mrs. Gordon Letts, Mrs. Erdic Dickens, Mrs. Earl Piepenbrink, Mrs. Rodney Olsen, Mrs. Floyd Harmon and Mrs. Eddie Fields.

The Ann Rutledge P.T.A. will hold their next meeting October 10. The theme of

N. Lenox Lions Club Offers Essay Contest

The Lions Club International, with more than 20,000 clubs throughout the world, announced at the 49th Annual Lions Convention in New York, by President Edward M. Lindsey of Lawrenceburg, Tenn., that one of the highlights of the 50th anniversary will be a Peace Essay Contest.

The contest offers a grand prize of \$25,000 in the form of an educational and/or career assistance grant to the world winner.

A grand total of \$50,000 in awards will be made. In addition to the \$25,000

first prize, eight world division semi-finalists prizes of \$1,000 each will be given and these eight semi-finalists will also get travel expenses to Chicago in July of 1967.

At that time, the first prize winner will be chosen from the eight. Also, more than 20,000 local, district and multiple district awards will be made.

James F. Pollock, president of the New Lenox Lions Club has announced the judges for local entries in the Lions International Peace Essay Contest.

He named John Oster, a retired school superintendent of 840 N. Cooper, George Valy, a business leader of Hanines Ave., and Shirley Lashmet, a housewife and former school teacher, all of New Lenox. They will determine the clubs entry in the International Contest.

The contest is open to all residents of New Lenox Township who are 14 years of age and under 22 as of Jan. 15, 1967. The contest

was initiated to generate an awareness and understanding of peace among tomorrow's leaders.

BYE BYE DAD

Eleven days before her second birthday, Ruthy stood at O'Hare airport waving bye bye to her daddy. He will be gone a whole year of her life, one of the most important years.

Honor Students Commended At L-W

Letters of Commendation honoring their high performance on the 1966 National Merit Scholarship Qualifying Test (NMQT) have been awarded to five students at Lincoln - Way High School, Jonas R. Lashmet, guidance director, has announced.

Those named Commended students are Thomas Hartnell, Dianne Kennedy, Robert Newsome, Rodney Runestad and David Smith.

They are among 38,000 students in the United States who scored in the upper two percent of those who will graduate from high school in 1967. The Commended students rank just below the 14,000 Semifinalists announced earlier this month by the National Merit Scholarship Corporation (NMSC).

John M. Stalnaker, president of NMSC, said: "The outstanding record made by these students in a national competition deserves public recognition. Their significant academic attainment gives promise of continued success in college.

"The Commended students should be encouraged to pursue their education as their intellectual talent represents an important and much needed natural resource. Our nation will benefit from their continuing educational development."

Only the highest - scoring students in each state, the Semifinalists, remain eligible to be considered for Merit Scholarships. Although students receiving Letters of Commendation advance no further in the Merit Program, their names are reported to other scholarship - granting agen-

This year she is old enough to realize what Christmas, and Santa Claus is, and feel the excitement with it.

Daddy will miss this and the other cute and unforgettable childhood days. Of course she doesn't realize this, she only knows what mommy has told her, "Daddy is bye bye in Viet Nam."

She is much too young to understand all the reasons for his absence, however, not too young to know that he is gone. With his absence is also her loss of security.

She doesn't forget him. Not a day goes by that she does not ask for her daddy.

Also, at home a wife waits. She is old enough to realize her husband is gone for a year, however, still she can not fully understand why?

She will live this coming year day by day. Her happiness weighing chiefly on the letters she will receive from him.

She receives much pleasure by baking cookies for him and his buddies. With some of his letters comes concern.

Much worry is also on her mind with every passing day. She prays he will come home safe to his daughter and herself.

Also, back home with worry in their mind are his

parents. They have much concern for their son and try to help by sending him the things he needs and articles to pass his lonely times.

All the people close to him will spend a long and lonesome year, filled with worry. They are not alone, however, for he too is lonely. Lonely for his wife, daughter, parents, and friends. Lonely for the many things his country, "The United States" has to offer. After all this is why he and every man in Viet Nam is there. To protect his country, and family from destruction. As he says "If my little part in this war will help keep my family safe, then it is well worth a year of my life."

More people should stop

and realize. There must be a reason for all this conflict and for us to be over in Viet Nam. It is not our men overseas complaining but those here in their homes safe.

If there is anyone who has extra books or other time consuming articles which they would like to send to our men in Viet Nam, you may notify: Brenda Chamberlain, 19329 Wolf Road, Mokena 479-9189, after 5:30 p.m.

Voters Approve Tax Rate For District 161

A 21 cent increase in educational tax rate was approved by voters in the Arbury Hills School District 161 last Saturday. This was the first time the issue had been presented to the voters.

The vote raises the rate from 96 cents per \$100 assessed valuation to \$1.17.

The vote was 112 in favor of the raise and 74 opposed.

Voters approving the vote were from Tinley Gardens, rural areas and Arbury Hills.

A spokesman for the Board of Education stated, "Given the needed information to base a wise decision on, the people of this District have a tradition of supporting their school."

"Yes kids today just don't appreciate the old ways—just sitting on their lands until their oil is discovered."

Mokena Sweeps
3 From Crestwood

The Burros football team of Mokena traveled to Crestwood last Sunday, Oct. 2 and handed the Crestwood Colts 3 losses.

In the Pee Wee game Mike Connell was outstanding in pass catching. He served a touchdown with Al Behnke scoring the other touchdown for Foster Tekotte's boys. The final score was 12-0.

In the 100 pound game Ron Schlack passed to Ken Fort- man and Duane Niemann for touchdowns. Bob Pandow, Mark Krueger and Pat Nel- son scored the other touch- downs with the forward de- fensive wall putting a great rush on the Colts. Cliff Toosley, Ray Patterson, Rus Dickerson, Dennie Rivord and Tom Paben consistently dumped Crestwood ball car- riers. The final score was Burros 41- Crestwood 0.

Next Sunday, October 9, the 100 pound team goes to Romeoville for revenge of a 28-6 loss earlier.

The heavies played rockem - sockem when they had to and swarmed over the Colts 27-7. High point of the afternoon according to ob- servers, was the great play by the Burros on a picture- like pass from Billy Clegg to Rus Lenich for a 47 yard touchdown at a time when the Colts had the momentum.

Billy Simpson again was the team's star by scoring two touchdowns. Clegg scored the fourth touchdown and Scott Holladay scored two extra points.

Next Saturday, October 8, the heavies play Downers Grove at Mokena Park start- ing at 1:30 p.m. This will be a non-league game.

Ford Country

Stop sitting on the fence
watching new Fords roll by.
Come sit in the driver's seat
of a '67 and start rolling
your own.

We Ford Dealers have five decision-makers that we would like to have you try out.

First is our big '67 Ford. Stronger. Quieter. Best-built Ford in history.

Second is our '67 Mustang. Three all-new models. Longer. Sportier. More horses under the hood.

Third is our Fairlane. No car so practical has the right to perform like this.

Fourth is our Falcon. We quickly tell people its price before its luxury scares them away.

Fifth is our Thunderbird. Suavest Bird since the first four-seater. New choice of two or four doors.

Your Ford Dealer invites you to sit behind the wheel and take a test drive. If the evidence of your own eyes hasn't convinced you yet, it's time to get off the fence and try the action.
